Kip:

Read closely 'Gravitational Wave Parapsychology' at

<https://chakalov.net/GWP.pdf>

(14 June 2023, 10 pages)

I discussed on p. 3 your "GW event" on 17 August 2017:

<https://chakalov.net/Nancy.pdf>

Sec. 5, Summary and conclusion at

[https://chakalov.net/Sec\\_5.jpg](https://chakalov.net/Sec_5.jpg)

I didn't mention Rainer Weiss, because I do believe he is an honest person and was totally unaware of your "blind injections" on 14 September 2015 mentioned at the link above.

By the end of 2023, there will be an enormous scandal about the fake GW150914. I trust you and Barry Barish will be alive and well to explain how you managed to detect pink unicorns dancing with red herrings on 14 September 2015. I will be happy to help you.
